

REMARKS

Claims 1-16, 18-19, and 24 are listed as having been allowed.

Introduction of the instant amendment to claim 16 is requested.

DISCUSSION

This is further to the Notice of Allowance and Fee(s) Due mailed April 14, 2006, in which the Examiner amended claims 1, 16-18, and 24 by Examiner's Amendment.

Applicants herewith authorize the foregoing Examiner's Amendment to claims 1, 16-18, and 24. Claim sets 1, 18, and 24, and 17, have been identified hereinabove as "previously presented" and "canceled", respectively, to denote their present status following the Examiner's Amendment.

The instant amendment under 37 C.F.R. §1.312 is directed to the addition of the compound 8-chloro-5-methyl-1-(3,4,5,6-tetrahydro-2H-[1,2']bipyridinyl-4-yl)-5,6-dihydro-4H-2,3,5,10b-tetraaza-benzo[e]azulene to dependent claim 16. Antecedent basis for such amendment is found on page 95 (Example 5b), of the instant Description. The instant amendment to claim 16 under 37 C.F.R. §1.312 does not constitute the addition of new matter.

All claims remain in condition for allowance. Such prompt and favorable action is respectfully solicited.

Respectfully submitted,

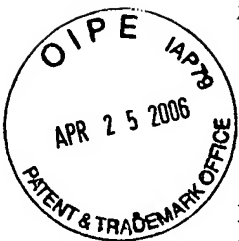

Date: April 20, 2006
